

YOUR PARTNERS IN PACKAGING

*With our low minimum orders,
you can wrap just about anything!*

Transilwrap Company, Inc. has reliably supplied quality films at competitive prices with excellent service to the packaging industry for over 65 years.

We're dedicated to being your long-term **Partner In Packaging** by providing a full line of films without "minimums per size" or "extended lead times"; by having strategically located slitting centers across the U.S. and Canada; and by having a staff of highly trained films specialists who can help you in selecting the film which best suits your packaging needs.

Transilwrap packaging film products include:

- Ovenable Polyester
- Microwavable Polyester
- Pre-printed Polyester
