Transilwrap Company, Inc. Adds New Sheet Extrusion Product Manager to Its Print Group

FRANKLIN PARK, Ill. – Transilwrap Company, Inc. and its Print Group announce the addition of Thomas Carroll to the organization as sheet extrusion product manager. Thomas comes to Transilwrap with an extensive background in plastic sheet extrusion as well the print industry.

“With the addition of our new extrusion line, we wanted to fortify our organization to take us to the next level. We are excited to have Thomas aboard and look forward to ramping up our business,” says Print GM Tim Carlin.

Transilwrap Company, Inc. is a manufacturer, coater and converter of plastics in the thermal laminating, printing, industrial, specialty packaging and graphic arts markets. Headquartered in Franklin Park, Ill., USA, Transilwrap has multiple distribution locations throughout the United States and Canada with three key business units: thermal laminating films, printable plastics, and industrial packaging and specialty films groups.
