

Dakota/Sierra/Yukon Banner

DESCRIPTION:

Dakota/Sierra/Yukon Banner is a family of 100% white opaque vinyl banner materials. Dakota, an 8 oz and 10 oz scrim reinforced material, and Yukon, a 10 oz and 12 oz ultra-durable material, are both one side printable. Sierra, is a 13 oz Ultra-smooth, top-coated material that is two side printable.

Dakota is available in 36" and 54" standard widths; 48" and 72" widths by special order. Yukon and Sierra are available in 36" and 54" standard widths; 72" width available by special order. *This is a non-stocked item.

CHARACTERISTICS:

- Easily screen printed using conventional or UV inks. (We recommend that you consult your ink supplier for the best ink to use for your application.)
- Can be folded, die cut, riveted, stapled, sewn, and ultrasonically sealed and glued (with special adhesives).
- Dakota/Sierra/Yukon Banner materials are excellent for indoor and outdoor use.
- Enamel receptive coating available.
- Material for electrostatic printing available.
